

MSDS EXEMPTION STATEMENT

uresta® Bladder Supports

Please be advised of the following information regarding Material Safety Data Sheets (MSDS) for the following medical devices: uresta® Starter Kit and the Replacement Units.

According to 29 CFR 1910.1200(c) and 29 CFR 1910.1200(b)(5)(iii) , our products meet the definition of “articles” and are exempt from the provision of the Hazards Communication Standard.

“Article” means a manufactured item: (i) which is formed to a specific shape or design during the manufacture: (ii) which has end use function(s) dependent in whole or in part upon its shape or design during end use: and (iii) which does not release, or otherwise result in exposure to a hazardous chemical under normal conditions of use.

According to the Occupational Safety and Health Administration (OSHA), medical devices – when labeled pursuant to the Federal Food, Drug and Cosmetic Act – exempt from the MSDS requirement.

In addition, the U.S Department of Transportation does not regulate any of the medicinal products distributed by Resilia Medical Solutions Inc.

If you require any further information please feel free to contact us.

Best regards,

The uresta® team
